MADE IN GREAT BRITAIN
PEGGY LEE

Born in Jamestown, North Dakota, Peggy decided whilst in her early teens that music was to be her life's work. On graduation from high school she went to Hollywood, only to find that for young unknown singers engagements were few, so after a short stay she returned to her hometown to gain more experience.

She launched on a radio career and became the first "live" entertainment at the Powers Hotel, and after a brief season with Will Osborne's band, Peggy left for California once more and secured an engagement in the Doll House at Palm Springs. This lead her to a two year contract with Benny Goodman.

Her first record made in 1943 with Benny Goodman was a fabulous success, and she subsequently had her first million selling disc with "Mañana" for the Capitol label.

Peggy has proved herself one of the most versatile performers in the entertainment world. In 1950 she was selected by Billboard as the most popular female vocalist, in 1956 she was awarded an Oscar nomination by the Academy of Motion Picture Arts and Sciences as Best Supporting Actress of the Year, plus the Audience Award, Laurel Award and Film Critics Award.

She has appeared on virtually all the major T.V. programmes, including the Perry Como, Steve Allen, Ed Sullivan and Jackie Gleason Shows, and among her night club bookings are The Copacabana, New York, Sands Hotel, Las Vegas, Ciro's and the Coconut Grove, Hollywood.

Peggy's record successes are numerous and fabulous! In addition to such Long Play Albums as "JUMP FOR JOY," "ALL AGLOW AGAIN," "LATIN ALA LEE," her smash singles include, MANANA, LIGHT OF LOVE, YOU DON'T KNOW, YES INDEED! and the perennial favourite, "THINGS ARE SWINGIN'."

We are proud to present this album of songs as a tribute to a truly great artist.

REFRAIN

I'm gonna open up all my doors; I'm gonna open up all my doors; I'm gonna open up all my doors, And let the Light Of Love come in. I'm gonna...
Open up all my doors, And let the Light Of Love come in. Gonna open up the front door, the wide door, the back door, the side door, All the doors to my heart; Gonna open up the left door, the right door, the day door, the night door, Now is the time to start. I'm gonna put aside every thing, Because I wanna hear joy bells ring; I'm gonna open up all my doors, And let the Light Of Love come in. I'm gonna

You Don't Know how much I love you, You Don't Know how much I care
You Don't Know how much I need you

without you life I can't bear, You Don't Know, Ba-by,
You Don't Know, Ba-by, You Don't Know,

The flame you left is still burning,
burning deep down in my soul. When I think of all your lovin' and kiss-in' it makes my blood run cold. You Don't Know, Baby, You Don't Know, Baby, You Don't Know, Baby, No, you don't, No, you can't know how I feel.
All of my friends call me crazy for acting the way that I do. But I just can't help myself 'cause I'm still in love with you. You Don't Know, Baby, You Don't Know, Baby, You Don't Know, Baby, No, you don't. No, you can't know how I feel.

It's fun when you've got someone who calls you "baby." It keeps you young.

And she says, "I'm yours and don't mean maybe." It keeps you young well.

I have got that someone. That's how I know so well. Love keeps you young. Can't you look at me and tell! When you've tell.
